How To Play Cribbage: A Beginner's Guide To Learning The Cribbage Game, Rules, Board, & Strategies To Win At Playing Cribbage

Synopsis

Master cribbage and impress your friends! Inside *How to Play Cribbage*, you'll discover everything you need to know to have fun with this fascinating game: Basic beginner strategies for quick success and more wins Tactics for making smart choices on the discard How to take the lead - and reply to your opponent's lead Tips for playing cribbage with three to six players Originally invented in the 1600s, cribbage became very popular with sailors (especially in the mid-1900s). During World War II, American submarine crews on long voyages became avid cribbage players. Admiral Richard O'Kane was once dealt a perfect hand in a cribbage game - and his lucky cribbage board has been passed down by generations of submarine captains. You can embrace the modern tradition of cribbage by learning the simple and compelling rules of the game. All you need to play is a friend (or a group of friends), a deck of cards, and a cribbage board (a board with 121 holes and pegs for each player). With this easy-to-understand guidebook, you can quickly pick up the basics of the game, including pegging, counting, and "quick counting". You'll learn about the "perfect 29", how to win with 121 points, and how to "skunk" your opponents. You'll find out how to use the "crib" (the namesake of the game) to your advantage - both as the dealer and a non-dealer. This book even offers sneaky tactics for experienced players, such as using "muggins" to keep your opponents honest and earn more points!

Customer Reviews

Great for the beginner player. My only dislike is no one proof read before publishing. You will find spelling mistakes which I feel are a needless distraction. If you can overlook this then buy this book.

Excellent book, I feel that I have a comprehensive knowledge of cribbage after reading this guide. I would recommend this!

Clear and easy to understand the ins and outs of cribbage. Good to have to settle point counting problems.

Still had to go online for more explanation.

A good start to cribbage. Easy to understand, and follow along. I would recommend it for anyone wanting to learn the game.
