Customer Reviews

Reviewed with The Routledge Atlas of African American History. These two thematic atlases present information in the same fashion as The Routledge Historical Atlas of the American Railroads and The Routledge Historical Atlas of the American South, both reviewed in our February 1, 2000, issue. "A useful work filled with clear graphics and concise articles....This resource will be helpful to students doing research."-"School Library Journal, November 2000

A+++.. Everything is great. .. :)

This atlas is beautiful and informative. The maps/illustrations are both colorful and a valuable addition to the text. The text itself is brilliantly written and accessible to all ages. This is an important work that every woman should read.
