My 15 year old is obsessed with graphic novels. This bible was perfect because it was in a style he likes so he was willing to read it and he'll sit in bed at night reading too. It may be somewhat on the young side but hey- he WANTS to read his Bible? Sold. I'm not going to squabble over translation preference. Get 'em into the Word and the Word will get into them!

Just what she wanted. Thanks.

Great compliment to the Action Bible. My 12 year old enjoys it.

Thank you

I've always had a hard time finding a devotional book that grabbed my son's attention, but this one certainly did. He already owned The Action Bible and loved it, so I knew this wouldn't let us down. He's excited to do his devotions now.

great price!

very cool way to get kids to read the Bible!

Bought for my 7 year old son and he loves it!
