# La Fille Aux Cheveux De Lin (The Girl With The Flaxen Hair): Sheet (Belwin Classic Library)

## Synopsis

Debussy's music epitomizes the concept of Impressionism in music. One of the most famous pieces from Debussy's Preludes, Book 1, "The Girl with the Flaxen Hair" is a lyrical piece, awash with color and atmosphere. Drawing on the original autographed manuscript and first edition by Durand, all editorial details are contained in footnotes or parentheses.

## Customer Reviews

This is a very popular piece for intermediate piano students. It sounds easier than it really is to play. But this is an inexpensive student edition. I used it successfully with a student who really wanted to play it and it worked out well.
