Shipping Weight: 5.6 ounces (View shipping rates and policies)

Average Customer Review: 3.4 out of 5 stars 5 customer reviews

Best Sellers Rank: #1,274,936 in Books (See Top 100 in Books) #21 in Books > Travel > Europe > Greece > Corfu #398 in Books > Travel > Europe > Greece > General

Customer Reviews

cool!

Total waste of money. 10 sites to visit with descriptions, no context about island nor culture nor history. DK guides which i really like for their normal guide is clearly trying to repackaging their content once again at a low price point. This is a very bad way to do it in my opinion.

as always, I love these travel books. If you don't know anything about a location you plan to visit, this is a great place to start.

The guide was written as if it were a collection of other guide books. It was not the reality of traveling on this island that was either beautiful or totally squalid. With the squalid/beautiful theme; poor roads, but lovely views. Trash all over, but sparkling water. Plastic bottles everywhere and no potable water, but fabulous food. Bathrooms are available, but no waste treatment. The book did not discuss any of this. Brushed over the tacky, touristy bits, and was written as if the the author merely looked at the pictures to write the information. Give the real picture! The island would be lovely if there were trails to walk or if the locals put an iota of effort into their accommodations. The book painted the island as perfect whereas anyone, within the first hour of their trip, would discover the many detractions. PS. The map included was completely useless.

I love being able to read on my iPad about the places I am visiting. This book on Corfu has the top ten places to visit while in Corfu. The book has maps of the places, plus the times a museum or castle will be open and the days the buildings are open. It is a great help to have this information at your fingertips for reference. I highly recommend this for the casual tourist.
