## **Customer Reviews**

I also ordered the correct book, but was sent the Canadian version. I see now that I simply ordered the cheapest 'new' edition from the American page, but it is NOT the same book. It needs to have the Canadian details on the American page so that shoppers don't conveniently use the one-click shopping tool, but receive the wrong edition of the book they need. I am having a hard time matching this edition up with the one my professor is using.

Great Book must have and Read

Thank you very much for the barely used textbook, I recommend to anyone who is taking nursing

and needs this book.

Perfect condition, price was right!

I ORDERED THE RIGHT BOOK WITH THE RIGHT NAME, BUT WAS SENT THE CANADIAN VERSION.
