I have been buying the Secret Garden calendar every year and it never disappoints me. The gardens selected are beautiful and the quality of the photographs is excellent. On the calendar

section itself there is a nice arrangement of famous quotes and lyrical descriptions of the photos. The only nit I have about this year's calendar is that I think the photos in the prior two years were better. While this year's photos are still beautiful, they just don't seem as vivid and striking as last years. But I still love it. I wish my garden looked 1/100 as good as the gardens in this calendar.

I am disappointed in some of the pictures - the colors seem . . . odd, almost half-painted and half a photo, perhaps PhotoShopped, I don't know. But it isn't restful to the eye. Also the calendar part has writing down the left side, which the ad didn't show - I had wanted a full page of calendar days. It will do for my back office, but for a more prominent place I would return it.

I love this calendar!!!! This is about my fifth year to purchase it. If you love beautiful settings with flowers and trees and lovely settings; this is for you. Plenty of room to write in the squares. I hope they make it for years to come. Kudos to the photographer and gardeners.

This replaced a calendar that I was using. I didn't like the previous one and this looked so inviting. So I purchased it and WOW it is so pleasant to look at. Yes I like nice wall calendars. This one fits the bill

Love garden variety calendars, and this one is simply beautiful! Very nice large size with bold printed dates. I could get lost in each month's photo scenes just gorgeous! Thank you. And I will keep an eye out for next year's similar calendar. Thank you

I buy this calendar every year because it is so beautiful with all of the garden pictures. Can highly recommend

A wonderful calendar especially for persons who love gardening. I've purchased this for the last 3 years for myself and as a gift for a gardening friend of mine. We both love them.

I love this calendar series. I get it every year. It is for my office at work, which has no windows. This gives me a feeling of nature.
