Hartmann is a prominent erotic artist in Spain. He is the author of the Barbarian Chicks and Demons series and his stories have been featured in Eros comics magazine.

Excellent color drawings and facial expressions, and very attractive and sexy ladies Very clever and humorous stories - Could do with out the demons, which are not very demonic, but detract by their ugliness and excesses. Other quality stimulating erotica out there as a whole not too offensive or degrading: Fireside Orgies, Naughty Escapades, Visions of Giovanna, Casotto, Omaha Collection 1, Felines, Great Moves, Stray Moonbeams, Attractive Forces, Erotic Comics 2, Just Bloomed, Pirate Queens Booty, College of Erotic Sciences, Three of a Kind, Magarya, Tharnara & Juda, Nagarya, Frolo, Little Ego, Fairy Tails, Wet and Wild, Leather and Lace, Devil's Whisper, Barbarian Chicks and Demons etc.- Note: Although some of these titles sound depraved, they as a whole they aren't nearly so bad as the titles may convey... or like me you can just cut or tear out the offensive parts as much of it very well done (Why is there so much talent yet so little sensitivity, respect, empathy and humanity towards one another...especially women, portrayed sexually)???

The third installment in the BC&D series by Hartman. The sword and sorcery adventures continue with a healthy helping of sex and humor.

This comic features 5 lengthy scenes and GREAT artwork. It is full color throughout. The story is fun. There isn't much fetish stuff here (feet/urination/bondage). It is fairly mainstream adult fare, with some fantasy-genre twists. There is a little lesbian action. Highly recommended!

Book in good conditon.
