Customer Reviews

Honestly i was hoping for something better from AiO. The table games/challenges and questions are kind of awkward and weird. The messages to the devotions are good, but just not well delivered. We did the first 12 devotions and went to another book. I wanted to love this devotional because my kids like AiO, but it was not up to their standard in my opinion

Lots of fun. Most devotionals are in the format of 1 reader and the rest are listeners. This engages the whole family with a questions section towards the beginning. Light-hearted and silly and serious all at the same time. As usual with Adventures in Odyssey ... EXCELLENT.

I thought this looked extremely cheesy from the cover (never judge a book by its cover, I know) but I was pleasantly surprised when I downloaded a sample on my Kindle. I then ordered it in paperback and my daughters remind me if I forgot to begin it during dinner. It is above my 3 year old's head but it has sparked some great conversations with my 6 year old. Be sure to have a bible nearby as a lot of the devotions ask you to read from the bible and parents get up from the table enough without adding another task!

This book gives a good selection of family mealtime devotions, each based around a short passage of scripture. The devotions are very well suited to a mealtime discussion. They can stop and start around the busy-ness of passing bowls and dealing with messes! The questions for discussion are quite open, meaning that they are adaptable to family members of different ages. They are also generally free of strong doctrinal slants beyond the most generally-accepted orthodox directions. Of course families can feel free to take the discussions in whatever direction they consider appropriate. This is a really good idea for families, and I look forward to trying out the second book with my family later.

Love it!! We use it for home school devotions! Nice little lessons!

Great for mealtime discussions. Perfect for my 9, 7, and 4 yo

Simple and engaging for my kids ages 4-8. They are learning how to respond to questions about their faith in the Bible knowledge!

Gives easy and detailed devo for dinner or breakfast.
