For very young children.

My class loved this book. Great transaction!

Bought this for my grandson. My daughter says he has read it several times. He has a Messi soccer outfit a friend of my daughter's gave him. He has quite a good kick for a 4 year old so who knows what he will accomplish! He has 2 brownout play soccer and one who plays basketball so who knows what he will choose!

This was a good book for my grandchild to read for homework.
