Around Avondale And West Grove (PA) (Postcard History Series)

Synopsis

Chester County was one of the three original counties established by William Penn, giving it a long history of settlement and growth. Around Avondale and West Grove features historic postcards from Avondale, Baker's Station, Chatham, West Grove, and the surrounding area.

Jennersville, located in Penn Township, has close ties to the rose industry begun in London Grove. This area was a rich agricultural district that had many nurseries (including one of world renown), creameries, mushroom farms, horse farms, an experimental farm for research, and other agricultural ventures. White Clay Creek, now a federally designated wild and scenic river, supported many mills. Granite and marble supplied the quarry industry. The township's location along the main highways between Lancaster, Wilmington, Philadelphia, and Baltimore made it an important route for commerce.

Dolores I. Rowe is a retired teacher and postcard collector. She has written and assisted in writing two books and several historical articles for local newspapers, and she presents programs on postcard collecting.

I gave this to my husband for a gift and had a great time watching him and his sister share memories.

A wonderful compilation of images from old historic communities of West Grove and Avondale, Pennsylvania. Well-researched text accompanies the images. Anyone who lives or has lived in the area deserves to have a copy. Anyone interested in small-town eastern seaboard life of years past will appreciate this for history of the architecture, culture and commerce in this great little town where I spent my childhood.
