# Your Best Life Now: 7 Steps To Living At Your Full Potential

## Synopsis

10th Anniversary Edition: Updated with New Chapter & Foreword Pastor Joel Osteen asks everyone to examine what he or she really believes. Why is this important? Because we will become what we believe. Our beliefs will prove either a barrier or vehicle as we strive to go higher, rise above our obstacles, and to live in health, abundance, and victory. In *YOUR BEST LIFE NOW* Osteen says, "I am what I am today because of what I believed about myself yesterday. And I will be tomorrow what I'm believing about myself right now. God sees us as more than conquerors, able to fulfill our destiny. We need to see ourselves through the eyes of our Creator." He says that our self-image should mirror exactly what God says about us, not what we feel or think. And he encourages readers to be people of faith, for if you can see the invisible, God will do the impossible.

Joel Osteen is exactly what I need to listen to over and over. He has great reminders of what God has in store for us all. And I guess I was really just focusing on the poor me thing. Thanks for the different perspective in life. I really really needed this. It has helped me come out of my slump.

I love listening to this in my car on the way home from work.

Very inspiring. I loved this book when I read it and gave one to a friend who also found it uplifting and filled with practical advice. If you are ready to choose happiness and peace of mind, read this book.

Learned most of this when I was growing up, but great to be reminded.

What a great way to travel. Listening to Joel's CD's not only brings peace, awakening and joy into a person's being, it also promotes courteous driving habits.

Awesome CD
