Customer Reviews

Diary Wimpy absolutely delivers once again with a picture perfect book. Great story and amazing illustrations that my nephew went bonkers over. Diary Wimpy really pulled out all the stops on this one. Although you know the character type destiny of Clucky (main character), it doesn't take any excitement away from the story. Nothing but action and adventure from the first page to the last. My nephew and I are excited to see what character will be featured next. If you're a Minecraft fan and

you haven't read one of Diary Wimpy's books yet, you are missing out.

Awesome and action packed just for kids who know a lot about and play minecraft! plucky is a very brave chicken. :)

I liked the creativity yo thinks of writing a story like that. I never thought a chicken had such an intense life!

I wasn't expecting this to be from Clucky's prospective, so maybe for the next book you could write it from one prospective, then halfway through switch to the OTHER characters prospective, reenacting the same time as the last prospective, but instead of the chicken do the zombke pigmen

chicken+zombie pigmmen=awesome! super awesome spectacular amazing ect.Could you please write more of thesethings like right now and pronto! This book is #4 in all the books i've read by "books kid"!!!!

I enjoyed reading this book! Just like all of his other books, this was so cool. It had twists in the plot and includes characters from other books! WORTH THE TIME TAKEN TO READ IT!!!

This book is pretty cool. It goes along with a lot of the other books. I love how they use Ember and Eli and his gang of endermen. I would totally recommend read this amazing book and the rest of the series.

plucky is no longer a plane old farm chicken not evan a chicken off a farm. He is not evan a regular chicken jocky he is a hero hero cicken jocky!!!!
