## Customer Reviews

Joan Carroll Cruz is a native of New Orleans and is the educational product of the School Sisters of Notre Dame. She attended grade school, high school and college under their tutelage. Mrs. Cruz has been a tertiary in the Discalced Carmelite Secular Order (Third Order) since 1968; for eight years she served as Mistress of Formation (Novice Mistress). For her non-fiction books, Joan Carroll Cruz depended heavily on information received from foreign shrines, churches, convents and monasteries. Her books include *The Incorruptibles*, published in 1977; *Desires of Thy Heart*, a strongly Catholic-themed novel, also in 1977; *Relics*, published in 1983; *Eucharistic Miracles* in 1987; *Secular Saints* in 1989; *Prayers and Heavenly Promises* in 1990; *Miraculous Images of Our Lady* in 1993; *Miraculous Images of Our Lord* in 1995; *Mysteries, Marvels, Miracles: In the Lives of the Saints* in 1997; *Angels & Devils* in 1999; and *Saints for the Sick* in 2010.

I must admit that I did not know what to expect with the book. I did know that Joan Carroll Cruz was

a good writer so I bought the book. I absolutely loved it. This book defines the topic of Angels and their fallen angel brethren. This is a practical, scholarly approach to the topic with wonderful suggested sources. I came away with so many possible things to read that I was stunned. I think that everyone of faith will enjoy this book. Have fun.

I read this book to gain insight into angels and demons. I am a PRE teacher and my students continually ask if angels (and demons) are real. I recommend this book for anyone who is curious to the existence of either, and to the mysteries of faith.

This book by Joan Carroll Cruz is presented with short accounts of encounters of angels and devils by individual throughout the ages. The stories told are short and factual, but are not an in depth study.

very informative book!

I have searched for books on the angels, but they are fairly pathetic. This is the BEST I have found. I highly recommend it. I am only half way through (haven't got to the devils yet) and can barely put it down.

This is a great book. I highly recommend it. I learned a lot about angels & demons that I never knew before. I couldn't put it down.

It is very informative so much about the topic is covered. It is a good size paperback book with inside knowledge regarding beings that are in a constant struggle that has so much to do with human beings in our daily lives. I've just started reading this book and I find it very interesting covering in more detail what the bible doesn't, I'm glad that I purchased it.

Beautiful compendium for a subject usually poorly understood. Written from a healthy Catholic point of reference. Very advisable for the general reader.
