Customer Reviews

My story, Deposition Stew, tells of a little girl who meets her future Grandmother in a most unusual place after her father leaves to find work, never to return, and her mother suddenly dies. It's a story of love, loss, hope, and the importance of families no matter how they come about.

Mark Victor Hansen is a co-founder of Chicken Soup for the Soul. Bobbi Carducci, a Chicken Soup for the Soul contributing writer, is not only an award winning short story writer. She is the author of Storee Wryter Gets a Dog, a book for young readers that encourages them to serve others and inspires them to explore their own creativity through story telling. Her most recent story to be published in a Chicken Soup for the Soul book is, Dying Faith, you will find it in the Finding My Faith edition published in October 2012. Her book of short stories, Pencil Dances, now available on [Amazon](#) and Kindle. She is a profesional book reviewer (About Families Publications) and a former senior staff writer for a small Washington, D.C. area newspaper.

I like the Chicken Soup books. You can pick them up and read the short stories any time/any place. The stories are inspirational and let you realize that you BELONG to some bigger group than

yourself, with common happenings and misadventures in your lives."Chicken Soup for the Grandma's Soul" was especially appropriate for me to be reading since I have two new twin grandbabies. And this book let me laugh, cry and rejoice along with other grandmothers.

I bought this for my grandmother and she has not put it down. This is her favorite series to read and this book has brought her much joy.

I have a story in it! I couldn't wait to get my copy! Did you know that you get books early when you are an author in them? I had to send my Mother a copy of the book right away. After all, she was the featured Grandmother I wrote about. She did not think our story was anything worthy of comment. My son, also received a copy of the book. What FUN to write about two of my most favorite people! What was the story about? Well, just buy the book and read the stories. When you find mine, you will KNOW! lol The rest of the stories were good too. Like ALL Chicken Soup Books, the stories are uplifting and sometimes make your eyes leak. Can I say that I love them?? I do. I have over 100!!!

We gave this book as a gift to my mother in law for Christmas. She is a fan of the Chicken Soup series. It's a great present for a Christian who enjoys reading, so it's right up her alley. The stories are short and sweet, and something that she keeps returning to read. Also, has it for a good price. I like that they did a book for just Grandmas. Initially I thought they only had the grandparents book. She is divorced, so that didn't seem appropriate to get for her. This book is just perfect.

As a relatively new grandma (13 months on the job), I feel I can relate to many of the emotions expressed in the book. It will make you laugh. It will make tears run down your cheek. More than anything, you will know you have joined the ranks of thousands who consider themselves blessed to have the title GRANDMA !!

The stories in here are just fantastic. A very relatable and calming book, very pleased with this purchase.

I bought this as a gift for a new grandmother. She enjoys reading, and I thought she would enjoy the short stories in it. I have always enjoyed the Chicken Soup books, and this one didn't disappoint.

If you're a fan of the Chicken Soup series this one is an excellent addition for grandparents. My kids bought this for my mom who is an avid reader and a fan of the CSs. It was a hit. She loved it. It arrived exactly as shown with no damage.
