The Elsker Saga Box Set (Books 1-3 + Novella)

Synopsis

From international bestselling author S.T. Bende comes the complete story of The Elsker Saga (Books 1-3, PLUS novella). When Kristia Tostenson discovers her new boyfriend is the Norse God of Winter, her orderly life becomes very messy. With Ragnarok, the end of times, on the horizon and a lunatic haunting her dreams, Kristia has to find a way to convince Ull that breaking the rules is the only way to survive; that defying the order he's sworn to uphold is their only chance to be together. And when someone starts asking the wrong questions, Kristia realizes the crazy visions she's had all her life might be the key to saving their realms... even if they end up costing her her life. Book 1 - Elsker Kristia Tostenson prefers Earl Grey to Grey Goose and book clubs to nightclubs. But when she transfers from her one-stoplight Oregon town to Cardiff University in Wales, she falls in love with Ull Myhr. Her new boyfriend isn't exactly what she was expecting. Ull is an honest-to-goodness Norse god -- an immortal assassin fated to die at Ragnarok, the battle destined to destroy Asgard and Earth. Kristia's crazy dreams may be the key to saving their realms... even if they end up costing her her life. Book 2 - Endre Sometimes, finding your destiny means doing the exact opposite of what The Fates have planned. Winning the heart of an immortal assassin was a dream come true for Kristia Tostenson. But her decision to become immortal could end in heartbreak--not only for Kristia, but also for the god who loves her. While Ull would do anything to protect his bride, even the God of Winter is powerless against the Norse apocalypse. Ragnarok is coming. And the gods aren't even close to ready. Book 3 - Tro Sometimes you just have to believe. Finding her destiny nearly cost her everything. Kristia knows she can handle whatever The Fates throw at her next--including her long-awaited honeymoon with the God of Winter. But as things heat up between Kristia and Ull, a frost settles over Asgard. An unexpected death marks the beginning of the end, much earlier than anyone expected. Kristia's barely begun to understand what she's capable of, and controlling her powers seems completely out of her grasp. With her new family fighting for their lives, and Ull fighting for their future, Kristia has to make a devastating choice: preserve the life she loves, or protect the god she can't live without? Bonus Novella - Turlinga Andersson is the envy of every girl in Asgard. On the surface she has it all -- great friends, a job as Odin's personal fight choreographer, and a happy ever after with her realm's hottest assassin. But when evil invades Asgard, her perfect world comes crashing down. Someone is planning to kill off the gods, and Inga's best friend Ull is first on their list. With the Norse apocalypse a nanosecond away, Inga has to decide how she'll spend her final moments of freedom. Because from the moment this battle begins, Inga's happily ever after will be nothing more than a memory.

Some things are worth fighting for.

Customer Reviews

This is an amazing box set. I've really enjoyed reading all the books. Here are my reviews for each book. *Tur* - Prequel Novella - What a fun novella to read. I really enjoyed the exciting adventure of Gunner and Inga as they help defend Asgard. Gunner is definitely more fun and he is loyal, hot, and very supportive of his wife Inga. Inga is an amazing character. I love her can do attitude and her match making skills. It was really cool to see a glimpse of *Ull*'s heart before we see more of it in the *Elsker* Saga. Overall *Tur* by S.T. Bende is a fun, exciting prequel of the *Elsker* Saga. *Elsker: Book One* - This is one of the sweetest love stories of Norse mythology that I have read. I love the romance between the mortal Kristia and *Ull* the God of Winter. Kristia is an adorable girl from a small town in Oregon with a desire for an adventure so she signs up for a study aboard in Wales. Once there she meets *Ull* Myhr. *Ull* is a handsome God from Asgard. Even though he is a God and one of the finest warriors of Asgard, *Ull* is very lonely; which was very heartbreakingly sad to read. Once he meets Kristia he will do everything he can to protect her even if it's from him and his destiny. This story shows a great development between

Kristia and Ull's relationship and her acceptance of who Ull is and what his destiny entails. I love the ever sassy Norn, Elsker, especially how she handles Thor. She is one of my favorite characters. *Elsker*, the first book of The Elsker Saga by S.T. Bende is an excellent story; can't wait to find out what is in store for these two and their family and friends. *Endre: Book Two* "Wow, the second book of the Elsker Saga, *Endre* by S.T. Bende is amazing. I love reading how much Kristia is developing her visions and how much stronger she is becoming. She is starting to adapt to Ull's world and is amazingly strong and brave while doing so. Her visions with the Elfie guy are getting more dangerous and terrifying. Every time she has one I'm biting my nails on what is going to happen. I love the growth of Ull's and Kristia's relationship and how Ull's starting to be a little less overprotective. It's sweet on how much he does want to protect Kristia but at the same time beginning to trust in her to hold her own. Gunnar of course is a funner as usual. I love how much closer Kristia has become with Inga and Olaug. These lovely supporting ladies are such a joy to read. The wedding is magical and romantic. Endre has wonderful relationships and more character building on not just the main characters, Ull and Kristia, but of their supporting characters too. Definitely a wonderful continuation of the Elsker Saga. *Tro: Book Three* "Talk about battle action and nail biting. *Tro*, the final book of the Elsker Saga by S. T. Bende is full of action and romance. The first part of the book is so romantic with the honeymoon of Ull and Kristia. However not even a honeymoon can take away what is in the rest of the book "the battle of Ragnarok. With Kristia learning her new powers as the Goddess of Winter and immortal seer she still has a lot to learn before she is ready. The action of Ragnarok keeps you on your toes and the excitement is so captivating you will not want to put the book down. The ending for me was one of the most heartwarming endings I have read in a long time. When I finished this book I was smiling for days. Ull and Kristia has such a heartwarming story. I highly recommend this book and the entire Elsker Saga!

This was an awesome series! I was sorry to see it end. What a great way to get all of these awesome books in one place. I love these characters and their interactions. Ull and Kristia are so awesome together. Love their strength and commitment. Ull is the God of Winter and is everyone's perfect man. Smokin hot and lovable and sweet and does the absolute most incredibly romantic things for Kristia. Kristia is a strong, independent young woman on her first adventure away from home. Loved her journey to fulfil her destiny and fight for her new family. Inga is an awesome character and friend to both Ull and Kristia. She is funny and can totally kick some series butt.

Gunnar is as Smokin hot as Ull and is my favorite. The Norse mythology was awesome throughout the series and made me want to learn more about it. I did not want to put down these books. I strongly recommended them to everyone who wants an awesome book series.

I read the Aer series first - not knowing it was the second group of books from the author. The Elsker series was everything I'd hoped the Aer series would be but wasn't. We watch Ull and Kristia grow together through a fulfilling ending. It was really wonderful to see.

Absolutely loved this series - I initially got the first book Elsker as a free kindle book and just had to know the rest of the story - such an imaginative concept, the romance was beautiful, the mythology was fascinating and the story came together seamlessly. I really enjoyed it and can't wait for the next series - it's always great when you find a new author because you know you have a bunch of books to read that you'll enjoy :)

I purchased this series after reading part of it online. The story grabbed me from the beginning and kept me involved all the way through the end. I fell in love with each of the main characters and could not wait to go from one book to the next. I have always loved Norse mythology, well to be honest all mythology and the Elsker Series did not disappoint me. I look forward to reading the spin off series as it will be in the next batch of books I buy.

Best mini series I've read in a long time! Couldn't stop reading!!

These stories are amazing. I read them all in no time and then wanted more. These books are awesome. I would strongly recommend the read (and I am a picky reader.) The characters are not something that I have seen before and I read A LOT! The story makes you want to laugh and cry with Ull and Kristia. I can't wait to read more from this author and look forward for more books to come.

Very entertaining! Easy to read...
