Lonely Planet Sardinia (Travel Guide)

Synopsis

Lonely Planet: The world's leading travel guide publisher Lonely Planet Sardinia is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Kayak through the sea grottoes of Golfo di Orosei, seek out secluded coves at Costa Smeralda, or boulder-hop in Europe's Grand Canyon - Gola Su Gorropu; all with your trusted travel companion. Get to the heart of Sardinia and begin your journey now! Inside Lonely Planet's Sardinia Travel Guide: Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - hours of operation, phone numbers, websites, transit tips, prices Honest reviews for all budgets - eating, sleeping, sight-seeing, going out, shopping, hidden gems that most guidebooks miss Cultural insights give you a richer, more rewarding travel experience - history, customs, art, music, literature, politics, cuisine, wine Over 30 maps Covers Cagliari, the Sarrabus, Iglesias, Oristano, Alghero, Olbia, the Costa Smeralda, the Gallura, Nuoro, Orgosolo, Tiscali, Golfo di Orosei, Gola Su Gorropu, Grotta di Nettuno, Bosa, and more The Perfect Choice: Lonely Planet Sardinia, our most comprehensive guide to Sardinia, is perfect for both exploring top sights and taking roads less travelled. Looking for more coverage? Check out Lonely Planet's Italy guide for a comprehensive look at what the whole country has to offer, or Discover Italy, a photo-rich guide to the country's most popular experiences. Authors: Written and researched by Lonely Planet, Kerry Christiani and Duncan Garwood. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves.

Customer Reviews

It has good broad information about the island and what to see and do. However, when it gets into the details, it was clear that the authors had never actually been to the locations they were writing about. So use this book for building an itinerary, but do some further research elsewhere before actually embarking on a specific adventure. P.S. Sardinia rocks!!!

Great

Interesting place to visit; more diverse than I thought.

We just returned from our trip to Sardinia. We used this travel guide since we wanted to find the more out of the way gems than your regular travel guide would suggest. I found the info of one of the contributors more helpful than the other contributor. There really wasn't much changed from the older edition except for particular changes to individual listings but the Sardinia described has changed a lot in recent years. This was not reflected in this edition. A LOT of money has not been spared in rerouting and building roads, for instance. There is nothing to see when snorkeling and we wasted a lot of chasing trying to chase down a few fish in most of the spots recommended for snorkeling. Other well known places were not mentioned. The hotels and restaurants mentioned were on target but followed a familiar path - the bar next door to the restaurant recommended, or a town that a friend likes...not a real inquiry into this island... there was nothing erroneous, per se, just not a very lonely planet look at an incredible place.
