Customer Reviews

AA Publishing is the UK's largest travel publisher, with an extensive range of inspiring travel guides, dependable driving books, and trusted maps and atlases.

Not worth it. Inadequate detail

I am somewhat irritated that this map doesn't have the entire country on one side. I knew, from the description, that the modest city maps would be on the reverse, but this map scale is too big to be a great road map, and too small to be planning map. I guess this is the risk one takes when ordering online.

Item as described, fast shipping, thanks.

Just what I wanted!
