Stan Kirby tied a beach towel around his neck and became Super Commander Beach Boy when he was six years old. When Stan's not creating the awesome adventures of Captain Awesome, he loves reading comic books, eating okra, and hang gliding (but not at the same time). George O'Connor is the creator of the New York Times bestselling graphic novel series Olympians, in addition to serving as the illustrator of the Captain Awesome series. He is also the author and

illustrator of the picture books Kapow!, Ker-splash, and If I Had a Triceratops. He resides in his secret Brooklyn, New York, hideout, where he uses his amazing artistic powers to strike fear in the hearts of bad guys everywhere!

### Captain Awesome and the Easter Egg Bandit

My son enjoys these books so this one went in his Easter basket.

A cute book. My daughter loves it.

My 7 year old finds this easy to read and enjoys the story. We had to order more!

This was my least favorite of Stan's great series. It seemed like a collection of random chapters that- sort of- propelled the mystery, but ultimately it made me think the author is running out of ideas. But I have a solution!! Just stick to the same formula as your earlier installments and don't get too cute. Looking forward to your progress on book 14.

My son loved this book. He really enjoys comic books, so when it came time to make his Easter basket this was a great add. He opened the basket and read the entire book in one sitting!Thanks

Nice

My son loved this book! Put it in his easter basket and he was so excited.

My kid still loves this series and can't wait for more!
