Customer Reviews

Artist Sandra Boynton has been charming adults for decades with her whimsical, animal-centric greeting cards and her droll sense of humor. When Boynton transferred her weirdly wonderful critters to board books for babies, she made publishing history. These short, hilarious books are perfectly suited to toddler tastes, with their small size, few words, cheerful colors, funny jokes, and silly animals. Blue Hat, Green Hat is all about getting dressed, and stars a very silly turkey who just doesn't get it. (Feet in the hat, pants on the head, etc.) His continuing refrain is "Oops." Moo, Baa, LA LA LA! investigates the sounds animals make, including pigs who sing. Doggies is "a counting and barking book" about the many sounds dogs can make, and A to Z frolics through the alphabet with amusing animal antics from an aardvark admiring to a zebra zigzagging. Parents love Boynton as much as kids do, and these four books in a compact boxed set will no doubt become household favorites! (Baby to age 3) --Marcie Bovetz

Sandra Boynton is probably one of my all time favorite toddler book authors. Her board books are so much fun for me to read. They were my daughter's first book to read at 2.5 too. We had them all. Purchased this set for my best friend who is a new mommy.

Sandra Boynton gets kids. I love her books and so does my 3-year-old. I discovered her books when I started working as an art teacher. Children love her stories.

Love these books are great for little people. They keep a small persons interest throughout the entire story.

I love this author. We purchased this because we ruined his Doggies book and I figured I see what the other stories were about. Great books. I think the only book he does not care for is the Blue Hat book.

My granddaughter loved these books. She's 16 months and carried them to me to read. So sweet.

My 2 year old loves these books. He can read then all front to back and still laughs

My grandson loves, loves, loves this set and even tries to "read" it to us.

A wonderful set of books for my granddaughter. My son and daughter-in-law highly approved!
