The Lizard And The Sun / La Lagartija Y El Sol (Picture Yearling Book) (Spanish Edition)

Synopsis

A long, long time ago in ancient Mexico, the sun disappeared. Everything was dark, and the people were afraid. The animals decided to search for the sun through the fields and forests, rivers and lakes. But the sun was nowhere to be found. At last the animals stopped looking - all except the lizard. This is the story of a brave little lizard who would not give up until she had brought back light and warmth to everyone. Hace mucho, muchísimo tiempo, en el México antiguo, el sol desapareció. Todo la tierra se oscureció y la gente tenía miedo. Los animales salieron en busca de sol por los campos y bosques, los ríos y los lagos. Pero el sol no estaba en ninguna parte. Al no encontrarlo, todos los animales abandonaron la búsqueda, excepto la lagartija. Esta es la historia de una lagartija valiente que no quiso darse por vencida hasta poder restaurarles a todos la luz y el calor.

Customer Reviews

In this bilingual folktale from Mexico, a lizard searches for the missing sun. Ages 5-8. Copyright 1999 Reed Business Information, Inc.

The art and story are absolutely beautiful. I love this book. I bought it for my nephew, i want him to be proud of his roots! And i know this book will help him see the beauty in our culture, people and the land.

Love the art! Love the story about la lagartija heroína! My daughter is in kinder and i was worried that it might be too long- not a problem! She loves it, and likes to ask me about the pictures. Very happy with this purchase!

Wonderful retelling of a lesser known Hispanic folktale. The Illustrations are beautifully done and add flavor to the story. Also loved the fact that the lizard is a "she."

Running out of good bilingual books for my teenaged nephew & niece. Thanks for quick delivery.

Good for elementary school bilingual readers, learning advanced Spanish..

Cool pictures and story narrated in two languages.

Just what I needed
