Customer Reviews

Awe, this was a cute little romantic story even though it was an erotic one. I really enjoyed it. I'd like to read more from this author.

Normally short stories are only about sex and you don't really get to know the characters, but not this book. What I liked and enjoyed about this author is that she gave enough background information on the characters that I felt I knew them. A quick, fun and naughty read. You will love it.

This was a great romance story, I loved the friendship between Sheri and Desire also Trevor and Marcus and the sex wow!!!. I was glad that both couples found their true love.

You will easily get caught up in the stories of Marcus & Sheri as well as Desire & Trevor. You won't put it down until the final page.

This was a great book. I laughed, got mad and wanted to slap a h--, and and fell in love all in one. I wish I could read more.

Rachal girl I love your book can't wait for your next book to come out!!!!
