Oahu Nightlife & Travel Guide

Synopsis

From Oahu's greatest beaches, hikes, surf breaks, & snorkel spots to the best local foodie and nightlife spots, Oahu Nightlife & Travel Guide is the definitive guide for an unforgettable vacation. Whether you are a budget solo backpacker or a couple celebrating your anniversary, these local Oahu tips, itineraries, and reviews about Oahu's sights and nightlife will save you plenty of time and money. Written by a Hawaii insider who has almost 10 years experience living, hiking, surfing, eating, and partying on every corner of Oahu, The Traveling Bachelor will tell you exactly what you need to plan that perfect island getaway for a bargain price. This Oahu guidebook is full of everything you could want for your vacation, such as: The top Oahu beaches, tourist experiences, snorkel spots, hikes, along with links to interactive online maps and directions that detail exactly how to get to them all. Over 120 undercover reviews of the unbelievable culinary scene on Oahu, from Honolulu to Kailua to North Shore and beyond... So you'll be able to eat like a local, know exactly where to go to eat, and how much it will cost you! The only Oahu guidebook that will tell you exactly where you should party and celebrate on Oahu, each and every single day of the week. It doesn't matter if you want a luau, small local surfers beach bar, or a classy night in Waikiki's hottest club... This is the definitive nightlife guidebook out there for Oahu and Hawaii! Suggestions on unique island activities and the most reputable tour operators, such as soaring above North Shore while Ultralight Power Hang Gliding, ATV riding, or even a B.Y.O.B. Pirate Ship booze cruise. Extensive details on everything that will help you prepare for a trip: What you should pack, environmental dangers, how to get dining and shopping discounts, and even which local radio stations you should be listening to. Dazzling and colorful photos of many of Oahu's magical sights. Filled with tons of local tips, this is the only guidebook you'll need for your magical trip of a lifetime to Oahu: The Gathering Place. Live Like a Local, Eat Like a Local, and Party Like a Local! With Oahu Nightlife & Travel Guide!

Customer Reviews

Highly recommended. As a long time fan of the Traveling Bachelor, I was excited to hear about his new Travel guide. He did not disappoint. Although the title might discourage some to skip the guide (is it only for singles?), do not worry. The depth and breadth of this man's knowledge of Oahu is outstanding. It is appropriate for anyone who wants to visit Hawaii. He has included some beautiful pictures and easy to access links to maps and websites. It is truly a travel guide for 2014.

The pickings for quality Oahu guides, let alone hawaii guides, is slim. You could go with one of the big name guides, but then you'll be waiting in line at the same cliched places as all the other tourists and not discovering the real local's Oahu. As someone who has been to Oahu several times, I thought I knew it pretty well, but I found several new gems in here. This is one guide in my collection that will be well thumbed through over the years! And btw, despite the name, this is not really just for traveling bachelors!

This is probably one of the most honest guides for Waikiki and what to do there. It might seem a little old but most of the recommendations are still spot on!

The guide highlights a lot of the best spots I love to eat, visit, and do when I'm in Oahu visiting family. The info is all pretty current and I was happily surprised at the depth of the author's knowledge of local spots to eat and see... It's pretty obvious that he is either a local or been living

there a long time. The only confusing thing I would clarify is that this is not specifically for "bachelors"... it's relevant information for couples and adult travelers of both genders. Definitely pick up a copy, very useful!

Excellent review of Oahu and an easy fun read, very comprehensive from A-Z. Discusses things that the typical tourist would want to know like island hopping, the best places to eat & where to check out in every area. The book also discusses non-touristy items, things like what to do when you get stung by a sea urchin (and it's not pee on yourself like a jellyfish). Also tells you more "secret" places to go than I've seen in other similar books.

I recommend this guide to everybody who plans to travel to Oahu, Hawaii. I found all the information provided in the book very useful especially all the addresses of places that are all worthy going! With this book you will save your time and money because it gives you all kind of hints where to go, where to eat good and cheap, what to be aware of while staying in the island of Oahu and more. With this guide you will be able to experience the best of Oahu.

I got this eBook for free as I was going on vacation to Honolulu and Maui. I did not realize that this book was intended more for a single person/bachelor not for a family man. However as I started reading this, the book did have some useful information about Oahu - places to eat, beaches to go to, things to do, etc. The nightlife/clubs/bars was not for me but the rest of the book provided good general info. Therefore this exceeded my expectation. I probably would not buy this but since I got it for free, 4 stars.

An excellent guide to Hawaii, no matter what kind of trip you are doing this book will give you some great recommendations and traveling tips. Definitely give it a read before you get there so you can make the most of it!
