Reykjavik: 72 Hours In Reykjavik A Smart Swift Guide To Delicious Food, Great Rooms & What To Do In Reykjavik, Iceland. (Trip Planner Guides Book 3)

Synopsis

72 Hours in Reykjavik, Iceland. Seventy-two hours is all you need to experience the culture, food, and vibrancy of Reykjavik, Iceland. However no one wants to waste vacation time trying to figure out what spots they should visit. This quick and easy guide will highlight the best restaurants, nightspots and attractions Reykjavik has to offer. Our guide is tailored to quickly give you the information you need so that you can enjoy the best of Reykjavik. You can enjoy a play at the National Theatre of Iceland, enjoy drinks at a local nightclub, or experience history and culture at the Reykjavik City Museum--it's up to you! Most people planning vacations look for three key factors: an Overview of the city, the Sights, and Transportation in and around the city. We combine these factors in an easy reference guide that will prove a trusty travel companion. As a bonus, we've added a three-day itinerary and a list of all the best budget-friendly places you'll want to visit while in Reykjavik. Every experience of Reykjavik will be unique. What memories will you make in 72 hours?

Customer Reviews

This book has tons of useful information about the city and all of it is great for general background. I loved reading it on my Kindle while lounging around on a cruise ship, before we got to the city, but that's about as far as its usefulness goes. It is pretty worthless for navigating around the city and finding things to do, because it lacks both pictures and maps. Pictures are useful to give you an idea of what you would see and maps are useful to get you there. It is also too dense in information to be useful in deciding what to see when you only have a day or two. Perhaps it would help to give a brief summary of the top ten items and then give more detailed descriptions of each item separately. Overall, it was interesting, but not very easy to use, since the only way to navigate through it is by reading from front to back.

This is a very slight, slim pamphlet with no maps, no photos and a lot of generic text. If you spent 60 minutes online Googling Reykjavik, you'd be as well advised, maybe better. Typos and odd page breaks throughout.

I read this upon leaving Iceland after a wonderful 4 days. I wish I had had time to explore it before going. However, I agree with most of the positive reviews. I have a map in my copy, and by accident I found many of the things mentioned. It clearly gives the flavor of Iceland and the places you should visit.

Perfect book for the quick trip!

Such a short book that mostly gives web sites. It says to follow maps, but doesn't include any. You could find any of this information for free on the internet. A disappointment and waste of money

Useful quick intro. I feel like I have more of an idea of how to spend my time when I extend a few days before and after a meeting in Reykjavik. Good links to other resources as well.

Really good book for visiting Reykjavik pointing out interesting spots.

Awesome...
