The Book Of God

Synopsis

Here is the story of the Bible from beginning to end as you've never read it before, retold with exciting detail and passionate energy by master storyteller Walter Wangerin Jr. The Book of God reads like a fine novel, dramatizing the sweep of biblical events, making the men and women of this ancient book come alive in vivid detail and dialogue. From Abraham wandering in the desert to Jesus teaching the multitudes on a Judean hillside, this award-winning best-seller follows the biblical story in chronological order. Priests and kings, apostles and prophets, common folk and charismatic leaders -- individual stories offer glimpses into an unfolding revelation that reaches across the centuries to touch us today.

Customer Reviews

"This is not the Bible," Wangerin (*The Book of the Dun Cow*; *Miz Lil* and the *Chronicles of Grace*; etc.) says of this newest work. But it is a novel featuring many of the Bible's most dramatic characters. He partitions the whole into eight parts: half focus on personalities (The Ancestors, Kings, Prophets, The Messiah), and half concern themselves with epic themes (The Covenant, The Wars of the Lord, Letters From Exile, The Yearning). Retelling the stories of the Bible in novelized form allows Wangerin to be more selective: no slogging through seemingly endless genealogies or the minutiae of military conflicts for him. Instead, he imagines the finer points of the tension between Sarah and her slave, Hagar; the words Isaac might have used in blessing Jacob; or the drama of Jesus's baptism by his cousin, John. In doing so, he also makes some curious inventions. Does

Zechariah, the father of John the Baptist, become a justifiably more interesting character, for instance, if he is presented as willingly making nails for the evil ruler Herod to use in crucifixions? For adult readers who are intimidated by the sheer bulk of the Bible, or for those who desire a novelist's different perspective on some very familiar stories, Wangerin is likely to be a welcome voice; for others, however, the novel will feel like an ornate but pale imitation of a great book. Copyright 1996 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Renowned storyteller Wangerin (*Ragman and Other Cries of Faith*, HarperSanFrancisco, 1994) here selects portions of the biblical narrative for retelling to a contemporary audience. Ever the raconteur, Wangerin evokes the deep and powerful emotions that motivate all human behavior. Yet rich as these retellings sometimes are, many of his characters lack even the depth with which they are presented in the biblical accounts. Unfortunately, Wangerin's "novel" reduces the power of the Bible's multidimensional characters to the flatness of much of today's most popular spiritual fiction. Buy only where Wangerin is popular. How can it not be predictable, it is the book of God. Just written in plain English so you know what they are taking about.

Mr Wangerin has succeeded in bringing the Old Testament of the Bible to life. It has always been difficult for me and many others that I know to really read and enjoy some of this part of the Bible. This book reads like a novel. The old prophets and kings become living beings and make everything so much easier to understand and appreciate. Now when I am discussing this part of the Bible I can take part in the conversation with so much more clarity and understanding. This book is well worth reading. It's informative in an enjoyable form.

I read this with my daughter almost every night. It brings the classic stories of the Bible to life, has been a great catalyst for discussion and has made my daughter interested in the Bible more than ever before. But I wouldn't classify it as a children's book. It is so well written just like all of Walter Wangerins books. I live reading it myself

Well up to Wangerin's high standards. Superbly written, brings the Bible to life.

Written in true Wangerin style! LOVE IT!

An interesting way to get a quick, exciting overread of some of the stories in the Bible. Brings life to events and story line that may otherwise be difficult to read with context and continuity of the never ending presence and importance of our relationship to God. Entertaining in the fictional use of biblical quotes woven into the story. Brings excitement, eagerness and confidence in studying the Holy Bible in greater depth.

New insight into Bible characters and stories I've heard for years, Really enjoying it. Used book in Excellent condition! Very fast service. Five stars all the way!

Great book to read!
