The Pastorâ€™s Scandal (Sins Revealed Series Book 1)

Synopsis

Glory. Power. Prestige. Pastor Hilton Wilds has it all, but will temptation take it all away from him? Everyone at Endless Love Baptist Church adores Pastor Wilds, including women he has no business cavorting with, but the good pastor has one potentially fatal flaw – he loves women and never misses an opportunity to let lust lead him astray. Vonda Wilds was born to be the First Lady. Her strict upbringing set the stage for a life lived according to the virtues the Bible teaches, so marrying a pastor seemed like the ideal situation. But even the strongest and devout women can be fooled by the men they love. Pastor Wilds proclivity for women who aren't his wife are about to cost him the life he and his devoted wife built together and shatter their tight-knit congregation. Both have serious decisions to make. Will they continue to pretend all is well or will they face the issues head on or will the temptation be too much for Pastor Wilds? Will his lust override his duty to the church and his marriage vows?

First time reading a book from this author. This book was very interesting that kept my attention the

whole time. Looking forward to book 2.

It was a good book but it didn't have enough details in the writing. I hated the ending. I felt as thou it left u hanging

I enjoyed it very much so many twist and turns can't wait 4 part 2

This is a good story. I couldn't put it aside. I will read this book every where I go. The story is so real the characters are real . Yes I'm going to follow this author. I wish this was a movie or a t.v. series. Waiting on book 2 .

First read by author, and I truly enjoyed this book. We as people hold pastors to a high standard, but we must remember that a pastor is human. There are so many pastors in today's society that have scandals. Waiting for book 2!

It was so painful reading this book. I know this Author's work to be so much better. I actually finished the book looking for something I was certain would never appear. The niece was the only strong character. The others you know nothing about them that makes you want to read or try to understand as people. Some of us read Christian Fiction to understandrelate...and ... Nonetheless for this book she has awesome some better other series. This hurts her if you have not read others. READ the others.

Very good story line. Characters were scandalous: adulterous pastor bisexual First Lady and conniving niece. I like this author but I wish her books were longer. Will read next book to see how it end

Pastor Wilds needs to get his act together. Vonda his wife does too. They need to come together if they want to survive. Ava was a sneaky one.
