RICHARD SCARRY is one of the world's best-loved children's authors EVER! In his extraordinary career, Scarry illustrated over 150 books, many of which have never been out of print. His books have sold over 100 million copies around the world and are currently published in over twenty languages. No other illustrator has shown such a lively interest in the words and concepts of early childhood. Richard Scarry was posthumously awarded a Lifetime Achievement Award from the Society of Illustrators in 2012.

I am 50 years old and had this book when I was probably 5-6. I am thrilled that I was able to find it for my Grand Daughter.

I ordered more than 10 books by Richard Scarry for my two-year old son and this dictionary book is one of his all-time favorite. He loves the pictures and reads through it every day since he had this

book. I am sure he learns a lot from it and has a lot of fun from reading it.

Great Author!! I really hadn't examined these before, and Richard Scarry, is a big hit for kids!! I'm a fan now!! Highly recommend for all early educators! :)

Have loved Scarry's books since I discovered them when working in an university library cataloging department-I handled the children books for the Education Dept.

This was way more fun than I anticipated! My extremely competitive and energetic 6 year old nephew found out it hilarious :)

My grandkids love it.

It really is The Best Picture Book. My 18 month old grandson wants to look at it all day long. Just perfect.
