Customer Reviews

I got this book for my 83-year-old Mom and she loved it. She said it was easier to hold than the larger books. She asked me to get more in this size.

I purchased this for my grandmother, but when I saw how small the font was, decided to return it. Definitely wasn't expecting that.

Smaller book than I expected- size of a regular paperback. Good puzzles to keep you entertained.

Satisfied with purchase. Fast delivery and met my needs. Would recommend for future purchases.

It's exactly what I expected to get, very satisfied with the purchase.

Just the rite size

I bought this item for a friend and he seems to really enjoy it, Although, the writing is on the small side.

AAAAAA++++
