Playboy: 50 Years Of Cartoons

Synopsis

For over 50 years, Playboy magazine has showcased the world's best and brightest cartoonists. Their spectacular stable of artists includes luminaries such as Buck Brown, Jack Cole, Eldon Dedini, Jules Feiffer, Shel Silverstein, Doug Sneyd, Gahan Wilson, and hundreds of others. Hip subversives and sly revolutionaries all, Playboy's artists have continually proffered a sophisticated brand of humor sorely missing in other men's magazines. Now, Playboy celebrates its golden anniversary with this glorious collection of the finest and funniest cartoons. Handpicked by Hugh M. Hefner himself, the pages are filled with the distillation of the entire cartoon archive, offering insightful commentary on topics from the sexual revolution to relationships, money, and politics. More than 450 cartoons feature sweet young things, terrible tarts, winsome wives, suitors, and studs—a riotous chronicle of five decades of Playboy cartoons.

Customer Reviews

Very Happy with my purchase book was like new condition pages had no wear on them. overall this is my favorite classics of Playboy I use to sneak my brother in laws play boy magazines when I was

a kid ever since then I loved checking these out as a sexual curious boy. to this day so I am glad I could find this classic book.

Buy this only if you have a sense of humor and really love to laugh. If your serious or to serious buy something else. This book is for Laughters and Laughters only. 5 stars

Classic. Priceless.

Brought back memories of my dad.

For us who lived thru the events depicted a delightful time warp.

Excellent... Thank...

My husband has been asking for this book for a long time but I couldnt justify spending the retail price gor it. I spent half here and it is a lot bigger of a book than I thought it was going to be. Nice for a good laugh

A cartoon I am seeking, and believed to have been printed in Playboy, must have been in the 'other, copycat' magazine! :-(:-)
