The Heidelberg Catechism: 450th Anniversary Edition

Synopsis

The Heidelberg Catechism has been admired for its clarity as an expression of the Reformed Christian faith, and its warm, personal tone. Many of its questions and answers have been memorized by thousands and have become an anchor for faith. This 450th Anniversary Edition of The Heidelberg Catechism is a fresh and accurate translation from the 1563 German and Latin texts. It is also an ecumenical effort in that it is recommended for use in Reformed and Presbyterian churches today. This development fits the catechism's original purpose for not only teaching the faith but also uniting various churches by means of a common confession.

Book Information

Audible Audio Edition

Catechisms #1906 in Books > Audible Audiobooks > Religion & Spirituality > Christianity

#74598 in Books > Religion & Spirituality

Customer Reviews

There's something about reading a book written over 450 years ago, that still resonates so clearly today. Millions have used the simple question-and-answer format of this collaborative work to better understand the Christian faith. The Heidelberg Catechism will benefit Christians and non-Christians alike, no matter where you are in your faith.

This catechism is great for helping someone become familiar with the basic tenets of Christianity and each concept is backed up with scripture references. It is great for training young people or new Christians. It helps dispel many unscriptural concepts of God and His character, and clarifies the gospel message.

I havent completed the book, but I like where its headed.
