[Education & Reference > Study Aids > Test Preparation](#) #635 in [Books > Teens > Education & Reference > Mathematics](#)

## Customer Reviews

Book by Best, George, Lux, Richard

This book contains several exams - mult. choice and free response questions. Older edition (2000) was better: it contains twice as many problems as this book. Delivery and quality was good.

We love these - Every AP class my daughter has taken - she has done well on the tests with the help of these. Thanks so much

Burkitt Books was very responsive to my concerns. Burkitt remedied the situation in a timely and efficient manner. Burkitt Books shows excellent good will toward its customers I will definitely purchase from Burkitt Books again in the future.
