Customer Reviews

"Forget everything you thought you knew about tying nymphs, Charlie Craven always seems to find more efficient ways to produce sexier flies. Not only does he have a critical and a creative mind, he is the best communicator in fly tying today, with a neighborly, engaging writing style and clear, detailed photography that will drag you kicking and screaming into the world of better fly tying."
(Ross Purnell Fly Fisherman magazine 2015-09-01)

Charlie Craven co-owns Charlie's Fly Box, a fly shop in Arvada, Colorado, and is a top-selling signature fly designer for Umpqua Feather Merchants. Craven is the Fly Tier's Bench columnist for Fly Fisherman and author of Charlie Craven's Basic Fly Tying: Modern Techniques for Flies That Catch Fish and Charlie's Fly Box: Signature Flies for Fresh and Salt Water. He is also featured in the recent Fly Fisherman magazine DVDs Warmwater Fly Tying and Saltwater Fly Tying. He lives in Palmer Lake, Colorado, with his wife, Lisa, two giant dogs, and a slew of children.

Another Fantastic book from one of the best in the business. I have been fortunate enough to have seen his demos at Somerset FlyFishing symposia. Great teacher and there is nobody who

translates his teachings into a book quite like Charlie Craven. Highly recommended! Also, pics are very effectively illustrative of teaching points he is trying to make. Yes, you learn the patterns with this one but, more importantly, if you follow the order of the patterns provided, there are techniques being built, as you go!

Having met him, I personally love Charlie Craven's work, and the man himself is a gem of a guy. His book is clear, and definitive with outstanding photography. A must for anyone who ties nymph patterns.

I've always enjoyed Charlies books and this one is great as well. Great pictures and descriptions of the flies. Highly recommend for anyone who wants more information on tying flies. For a true beginner I would recommend his book Basic Fly Tying.

Very detailed instructions that even experienced tiers can learn from.

Excellent. I would recoomend it for all fly tyers!

Charlie's books are well written and done! He's an amazing teacher.

Another great book from Charlie Craven. Some of his favorites and helpful instructions.

The truth will be in what the fish think!
