Customer Reviews

We enjoyed the enjoyed. Think I will get more ebooks for the children. Please continue to write interesting books for kids

My daughter loves the Berenstain Bears. She watches the shows and this is great to read at bedtime.

Nice short read for my little one, and it showed chores can be fun! We have a few Berenstain Bears

books, and will continue to build our collection.

My granddaughter and I read this book about helping. It reminds us all to be helpers. She chose 5 stars.

My son liked how the bears helped and cleaned up. I like the positive story line of showing respect to your parents and the world. It is not too short and there are good pictures.

This was a nice and fairly easy read for my almost first grader. We will read more of these books to strengthen his reading skills. I also like the lessons he gets from the story.

I love it.

Another great Berenstain Bears book!
