This is a really wonderful coloring book filled with many Christian-based designs. I also want to mention immediately that it is one of the better made coloring books that I have purchased but more about that later. The coloring book has 50 pages of designs and additional bookmarks, tags, and cards that you can color and cut out for your use. What I love about the book is that almost every one of the designs is Christian-based. Many Christian coloring books only devote one third or so of the design pages to providing a Christian message. In this book, page after page is devoted to Bible quotes. The words are incorporated into the design and are part of what you will color. That will make it easy to meditate on the words while I am coloring. The verses are also cited so it is easy to

look up and see the words in context. The book is very well made. The cover is extremely strong hardboard. It is printed on one side only of heavyweight perforated paper. The binding is at the top and is spiral bound. The print quality is excellent and dark. I really appreciate this binding as you can flip to any page and have access to the entire design. The cover then becomes a portable "desk" which allows you to color easily when on-the-go. While I am not a "lefty" spiral bound works fantastic for them as they don't have to color over the "hump" of the binding. A few of the designs extend beyond the perforations, which is a little frustrating. I won't remove these from the book as I will lose a bit of the design if I do. This could be easily solved in future additions to this series by sizing the design to fit below the perforations. This is printed on great paper. All of my alcohol-based markers bled through but none of my water-based ones did. Gel pens worked fantastic as well and did not bleed through or leave shadows at the back. Coloring pencils worked nicely as well and behaved according to their type of lead (soft/hard core.) This publisher also published a book geared at a younger starting age (but I like it, too!) which has a grade of paper I wish they had used for their other books. That book ("Inspirational Coloring Book for Girls") does not even allow for alcohol-based markers to bleed through. In any case, put a piece of card stock or chipboard or even heavyweight paper below the page you are working on and you will prevent ink from seeping through. These are the coloring medium that I use for testing. If there is something else you feel I should be testing, please let me know and I will see if I can add it to my growing pile: Markers: 1) alcohol-based ("Copic Sketch, Prismacolor double ended markers (brush and fine point), Sharpies (fine and ultra-fine) and 2) water-based ("Tombows dual end markers (brush and fine point), Stabilo 88, Staedler triplus fineliners, and Pentel markers). Gel Pens: Sakura, Fiskars, Uni-ball Signo 0.38/0.28 and Tekwriter. Coloring Pencils: Prismacolor Premier Soft Core, Derwent Colorsoft, Prismacolor Verithins, and Faber-Castel Polychromos

Love love love this color book. This is the book I go to every time I'm ready to relax. Love the top spiral and the thick pages.

What a nice book. The cover just blew me away. So much thought went into this book. The spiral spine is great. The cover is like a hard cover book. The pages are thick and great quality. They can be removed. The only issue I experienced was that with my fiskars and my markers, they smeared some. That can be dealt with if you just let dry and pay attention to what you should color first. I will

buy this again. The scripture is lovely. I love this book.

This book is well made and of amazing quality. I used Tombow Alcohol based brush pens and these did not bleed through the paper at all! The quotes are very well chosen and each page is more wonderful than the last. Bible Art is something that has become very popular in the last few years and this is a wonderful way to express your faith! Great product!

The pictures are great and I love the binding being on top but the pages are very shiny and it is difficult to blend color pencils as there is very little tooth to the paper. Markers work ok but take a little dry time. I would give it a 5 star if the paper wasn't so shiny and coloring unfriendly.

https://www..com/dp/1432115634/ref=cm_cr_ryp_prd_ttl_sol_4 Amazing intricate the designs of beautiful Bible scriptures. The paper quality is excellent for most any of the colored pencil sets. I've given several as gifts.

It's very good as a coloring book. You should note though, that high end markers do bleed through pages, as well as low end. I have every marker from Copic to the cheapest no-name on. I can tell you that they all bleed through. However, good quality gel pens do not, and colored pencils do not. If you use light, and I mean LIGHT watercolor it will not bleed through either. I use Windsor and Newton, or guache for whites. You must thin the color down so that it requires no more than 2 strokes per area with a good quality brush that can absorb both water and color. Don't use cheap brushes as the water will bead on the paper and warp it or ruin the paper underneath.

I have really been enjoying coloring in "The Word in Color": Hardcover Biblical Inspiration Adult Coloring Book. It is like what we used to call steno pad which is a hard bound, spiral notebook only this one is larger and more substantial. The spirals are along the top. It is very easy to carry with me to the doctor's office, traveling in the car, or taking out in the backyard to sit and color. I don't have to worry about finding a hard surface to work because the notebook hard cover makes it easy to hold in one hand and color with the other. I have a small pencil bag that I carry along with this so I am ready to color at a moments notice. There is a variety of styles from intricate to easy, with lots of flowers, birds, butterflies, fruits, and more. But through it all, the words are always the most important thing on each page and those words are from the Word of God. Quotes from the Bible itself. Words like, Blessed is the one who Trusts in the Lord, Be joyful in Hope, The Word of God is

sharper than any two-edged sword. Along with the scriptures and pictures on each is the chapter & verse where I can look it in my Bible and read more. As I color, I think of what it says and think of who I want to give my finished picture to. By the time I have finished, I have thought and prayed for that person over and over. I also love that when I have my friends over to color that this book is ALWAYS one of the first to be selected. Everyone loves it as much as I do. I purchased this product at full price.
