This is a lovely book to purchase for first-time grandparents. It was given to me by a very special friend, to mark the coming of my first granddaughter. I was touched by the story, as my friend welcomed me to the world of being "Grand!" I have since started my own tradition of gifting this special book to all of my dear friends, as they join me in the "Grand" world! My book arrived in perfect condition, this makes me happy! In the past I have had hard cover books arrive with the dust

jacket torn, not this one though! Thank you for the quick shipping!

Love this book ! Received and cried ...I've Given and cried .. Truly a winner of a gift for a first time grandparent . Perfect as a group " card" which I've used several times . Can't recommend enough !! Not a book you read over and over so I've purchased several used and they have been in perfect condition .

We announced our pregnancy to the grandparents with this book. It is so sweet.

Have purchased of these for grandpas to be. They love them

Got this as a gift and the recipient was so touched. Loved it!

This book is not warm and full of wit. I found it to be somewhat negative. It talks about adult children having some debt and mentions the word "unplanned" twice throughout the book. It's not the image I choose to convey. I will be returning.

Nice quality! Very cute book. Got it for my parents - the grandparents to be. Made my mom cry! :)

We gave this book to my parents when we told them we were having their first grandbaby. They loved it! My mom couldn't read the first page without tearing up!
