## Customer Reviews

'The series as a whole helps plug a gap in the market and will appeal to those who want to know more about common illnesses affecting teenagers.' -- School Librarian Journal 20021201 --This text refers to an out of print or unavailable edition of this title.

Susan Elliot-Wright is a Heinemann-Raintree author.

feel very good . i think it is very good , arrive on time. I have owned many knives over the years, but this is the first real" bread product that I have ever owned. I really like the construction and design. It works exactly as advertised. I have used it on bread and tomatoes and it did the job perfectly well. I would recommend this product to anyone who needs a quality bread product." nice, feel good.
