Interesting!

Cute books with interesting facts!

It's a pretty informative and entertaining book, even for an adult. There's even lots of things in the book that aren't fart related.

Cute book.

Thanks

good kids book

A seemingly cute children's book that had my son in tears with its detailed descriptions of medieval torture methods out of nowhere. Do not let your child read this without you to help skip the horrifyingly unnecessary parts. Or just skip it altogether.
