Adventure Guide Inside Passage & Coastal Alaska (Adventure Guide To The Inside Passage & Coastal Alaska) (Adventure Guide To Coastal Alaska & The Inside Passage)

Synopsis

The focus of this book is the Alaska Marine Highway, which serves as a lifeline for many coastal communities in Alaska. This ferry system - a total of nine boats - links tiny coastal communities and large cities alike. It runs from Washington, up the Inside Passage, all the way to the Aleutians in the far north, a total of 3,500 miles. The Adventure Guide to The Inside Passage & Coastal Alaska follows this route, telling you everything you need to know about the ships themselves, the sights and the towns. Tours on land - flightseeing, kayaking, canoeing, boating - are covered. The book is targeted at anyone traveling in this region, not just those taking the ferry, and has full information on what to see and do in each town, where to stay and eat and how to get out of town. Extensive details about wildlife, including the best places to see some, and how to be an eco-conscious traveler.

Product Dimensions: 9 x 6.4 x 1.3 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 3.9 out of 5 stars 5 customer reviews

Best Sellers Rank: #1,488,553 in Books (See Top 100 in Books) #31 in [Books > Travel > United States > Alaska > General](#) #950 in [Books > Sports & Outdoors > Nature Travel > Ecotourism](#) #3312 in [Books > Travel > United States > West > Pacific](#)

Customer Reviews

I have the print version of this book, and it is one of the best for the Inside Passage, but the Kindle version is unusable due to the fact that there is no Active Table of Contents. How does one flip through to the section on Wrangell, for instance? A search for Wrangell brings up 26 pages, with approx 5 locations on each page. I am very disappointed, and would return, except one can't return a Kindle version.

great information, we haven't gone yet to Alaska, but gave us information of where to go and what

to see when we get there.

Helpful guide, lots of good info.

I got a copy from the library, read it then went to to order it. That says it all. We head to Alaska next year.

This book is oriented toward people who are doing the Inside Passage by ferry rather than cruise ship. Throughout the book there is constant snottiness toward cruises. I went by cruise ship and still found the book worth the price. If you are taking ferry boats, then this is the book to buy. The author does grudgingly admit that cruising is economical. Yes. I got 7 nights lodging, all the gourmet food I could eat, transportation to four cities, and an excursion to Hubbard Glacier for \$1000. If my companion had had a more flexible schedule, I could have done it for \$700. I.e., \$100/day. Pretty hard to do better than that.
