Book by Wyche, Thomas

Fine melding of extraordinary photography and excellent text. As one who is inspired by this area of the country, I am even more endeared to its beauty as captured by this book.

This book beautifully portrays the piedmont of North and South Carolina! A must see for anyone who wants to explore this area of the country.

Beautiful photography and excellent writing.

A fitting tribute to this master of descriptive literature. A man in his own element.

Beautiful photos of one of the earths most beautiful places. More than a coffee table book - one that you will pick up over and over again.
