Jesus Speaks To Me On My First Holy Communion

Synopsis

I am Jesus. And I want to say, 'Happy First Holy Communion Day!' In this unique gift book, Jesus speaks warmly and lovingly to children who are receiving him in the Eucharist for the first time. In twelve scenes from Scripture from Creation to Pentecost, Jesus explains that it is his Father's plan for each child to be part of their family of love. He invites the child to be his friend and to draw close to him in the Eucharist and in prayer. Each Scripture scene is colorfully illustrated by Italian artist Maria Cristina Lo Cascio. This book also features An opening dedication page; Pages to record memories, including photos, church programs, and a space for children to write or draw; Traditional prayers such as the Our Father and Hail Mary.

Customer Reviews

Not only a book but it's a memory book as well. There are many pages to fill out with specific details of your child's First Communion. You can also put church bulletins, pictures and other program guides inside for safe keeping.

Very glad I bought this book... well designed and appropriate for children... my grandson enjoyed this present for his First Communion.

Very nice book...the style of the language used in the book is sometimes very "colloquial" and may

not appeal to "conservative" (for lack of a better word) religious families.

This was given as a gift to someone and they really enjoy it.

This is a wonderful First Holy Communion gift. It's very different from the ordinary gifts. It has lovely writings about communion to bring children closer to God. Plus it has spots for them to write different memories from their special day.

Great book, illustrations and themes are phenomenal

Love the stories for bedtime. Not too long!

We purchased this for our son for holy communion. He loved it. It is well written for a kid to appreciate. Plus has spots for keepsakes and guests who attended. Sweet stories and prayers.
