Comprehensive Periodontics For The Dental Hygienist (3rd Edition)

Synopsis

Comprehensive Periodontics for the Dental Hygienist, 3/e is a classic book anchored in evidence-based learning, providing students simple explanations of many of the complexities of the dental disease process and providing clear links back to practical aspects of therapy. This book has been written in an attempt to make the professions' understanding of periodontal diseases accessible to the dental hygiene student, the practicing dental hygienist, and the dentist needing to update their knowledge through a concise synopsis of clinical periodontics. New to this edition are Rapid Dental Hints that remind readers about key information or tasks that should be performed related to the condition or topic that is discussed. Fun Facts also provide a mental break for readers by providing interesting "gee whiz" information.

Comprehensive Periodontics for the Dental Hygienist, 3/e is a classic book anchored in evidence-based learning, providing students simple explanations of many of the complexities of the dental disease process and providing clear links back to practical aspects of therapy. This book has been written in an attempt to make the professions' understanding of periodontal diseases accessible to the dental hygiene student, the practicing dental hygienist, and the dentist needing to update their knowledge through a concise synopsis of clinical periodontics. New to this edition are Rapid Dental Hints that remind readers about key information or tasks that should be performed related to the condition or topic that is discussed. Fun Facts also provide a mental

break for readers by providing interesting & “gee whiz” information. For dental hygienists and general dentists.

Thorough and inclusive.

came in great condition

great seller, highly recommended!

Great

Shipped fast, great book. Great purchase experience. A great way to purchase your school text books and personal reading books.

The book is in great shape and was delivered quickly. I'll check for fine print on whether book includes access codes next time, but everything was there and it is in great shape. Thanks.

Great for school!
